Date: 14.08.2018

The school of Commerce and Department of Business Administration conduct “Consumer Awareness Program” for our students. We invited Mrs. J.Mahalakshmi., Labour Inspector and Mr. K.Devendran., Labour inspector from Tamilnadu Labour Department, Kumbakonam.

They gave special address about the consumer’s rights and how to register the complaints through the mobile application [TL-MCTS] Tamilnadu Legal Metrology Complaints Tracking System. This session is more useful for the students to trace out the complaints to solve their issues in future.
