Affiliated to Bharathidasan University, Tiruchirappalli. E-mail: acasdmn@gmail.com

Department of Computer Science
National Level Workshop on
Research Opportunities in Data Science

The Department of Computer Science organized a National Level Workshop on "Research Opportunities in Data Science" on **January 25, 2019**.

Mr.R.Lakshmana Kumar, Technical Training Head, Hindustan college of Engineering, Coimbatore was the Chief Guest and Resource Person for the Workshop. The Presentation was effective, illustrative, thought provoking and it was well received and appreciated by all Participants. The experience shared and the exposure given in the session would definitely benefit the participants in managing their research work effectively especially in the field of Data Science and IOT. Totally 180 Participants from various Colleges and 60 Students from Annai College of Arts & Science got benefited in this Workshop.

In this session the Chief Guest gave complete knowledge of all IOT Applications. Participants were introduced to different types of domains in Data Science. It was so informative session where in the basic components of that Data Science was demonstrated and then the components of IOT were exhibited to the participants to have a look and feel of it with great understanding of each. It provided real hands-on experience.

It was proven helpful especially to the students who rarely got a practical experience of thinking to learn in the Lecture. In the end the participants had the opportunity to ask questions and to get resolved the practical problems they faced.
