

About the College

A Chinese proverb asserts that a journey of thousand miles starts with the first step and the first step for Annai College of Arts and Science was taken on 14.06.2001. It was the dream child of KKO. Mohamed Ibrahim Education & Charitable Trust which is in reality the vision of the four sons of the Founder, Mr.KKO. Mohamed Ibrahim. While M.Anwar Kabir,our Founder Chairman, dreamed the concept of a college, his elder brother. M.I.Abdul Gafoor, our Correspondent gave a concrete shape to Annai College. Another brother, M.I.Humayun Kabir, Secretary, continues to be our Brand Ambassador through his excellent contacts with the outside world. The youngest brother, M.I.Ahamed Yasin, takes care of the Engineering College. Our management has handpicked the faculty, the best available in the university area and decided to provide always the best educational service to the student community. It is this combination of committed faculty, visionary management and participative student community that has produced the wonder that is called Annai College of Arts & Science.

About the Department

The Department of English was established in the year 2006. We have eminent Assistant Professors who are actively engaged in teaching. The Department is striving for enrichment of English language and creates involvement to learn the language and literature. We have nearly 17 staff members in our department. Our department faculty has published 5 books with ISBN and also has acted as resource persons in various colleges. Our department students have won prizes in literary competitions from surrounding colleges. They have presented and participated in various national and international seminars.

About Workshop

This national workshop aims to explore the basic elements of English language teaching. Students can have scope of English language and literature.Objective of this workshop is to make the students to understand the importance of English in day- to- day life .
